About us

关于我们

Zhejiang Sporting Goods Co, Ltd. stands as a strong force and plays a vital role in China's Sports Industry. The company was founded in 1998 by the world Acrobatics champion Mr. Huang Yongjun, beginning with producing trampoline jumping beds. With more than 20 years of product development, "Gaofei Sports" has become a world-renowned sports brand. Gaofei's product line includes:

- Gymnastics artistic.
- Rhythmic gymnastics.
- Trampoline.
- Training equipment.
- Equipment for kids.
- Extreme sports equipment.

Gaofei's headquarter is located in Zhejiang, Huzhou. It has a production base of 51,00 square meters and has a sales network in more than 200 countries and regions worldwide. Gaofei has developed into one of the best gymnastic equipment production companies in China, now an all-categories gymnastic equipment supplier and competition services provider. Gaofei has always strived to serve the top competition in the world to build an industry-leading company. For the past decade, team Gaofei has successfully served many world-class gymnastic competitions such as

- The 2020 London Olympic Game,
- 2014 Nanjing Youth Olympic Games,
- Birmingham Trampoline World Championships,
- The 12th, and 13th Chinese National Games,
- The first and second Chinese Youth Games.

Brand "Gaofei" has set a benchmark in the industry with its sustainable and excellent product performance and extraordinary services. It also breaks the decades of gymnastic equipment supply monopoly from the Western brands.

Gaofei is a brand that was empowered by the "champion genes" and driven by technological innovation. Gaofei represents a provincial high-tech enterprise unit, a Zhejiang science and technology enterprise, a sports product standard formulation and revision unit of the National Sports Goods Standardization Technical Committee, and a designated inspection unit Sports Goods Quality Supervision and Inspection Center. Cooperate with universities to establish a demonstration base for industry-university-research cooperation and have independent R&D testing laboratories. The full range of competitive gymnastics equipment and competition trampoline equipment of Gaofei has obtained dual certifications from the International Gymnastics Federation (FIG) and Beijing National Sports Century Quality Certification Center (NSCC). Gaofei is taking the "National Fitness Program" as an opportunity following the "National Fitness Program" strategy. Gaofei has always kept in mind the mission of "Integrate sports into people life," and will build solution advantages in the fields of competitive sports, national fitness, campus sports, etc., and provide customers with various sports events and, general public and youth to create diversified use scenario solutions, derive business models, enrich sports service content, integrate the industrial chain, and strive to create a "new sports consumption ecosystem." In promoting the high-quality development of the sports industry, we will contribute to helping China become a top sporting and healthy nation.
